EP-901X/903X   1/3 Parallel Port 10/100M Printer Server

EP-901X

EP-903X

SURECOM's EZprint EP-901X/EP-903X is the only print server you will ever need at 10Mbps or 100Mbps network. EP-901X/ EP-903X consists of one and three high-speed bi-directional parallel printer ports respectively. Up to three printers can be connected simultaneously with EP-903X. They provide seamless network printing to all major network operating systems with its multi-protocol support.

Easy to Install; Easy to Configure; Easy to Maintain

With DHCP supporting, EZprint can be assigned unique IP address automatically. This function will make your installation much easier and fast. In addition, with friendly quick installation utility, you can configure EZprint by itself.

Multi-Protocols

SURECOM's EZprint is especially designed for the multi-environment. It provides built-in TCP/IP and IPX protocol support for all leading network operating systems including Microsoft Windows 95/98/ME, NT/2000/XP, NetWare, UNIX and MAC OS. Therefore, it will save your time and money.

Web-based Management

The build-in Web-based Management will let you establish and manage EZprint easily and efficiently. Its capability and flash memory allow administrators to remotely manage EZprint and to upgrade the firmware when needed.

➢ Highest Performance -- 1 or 3 high-speed bi-directional DMA architecture printer ports

➢ Easiest Installation -- Friendly setup program and diagnostic utility to speed up installation

➢ Trouble-free Management -- Monitor and control your print server locally from any workstation or remotely with the built-in web management firmware

➢ Web-based Manager ready -- Work with SURECOM Web-based Manager utility which provide a simplified management interface to manage networking devices with standard Internet Browser

➢ Simple Access -- A self-contained external device allows printers to be installed near users

➢ Support 10Mbps or 100Mbps network with N-Way auto-sensing capability

➢ Full-Duplex Capability -- Operates up to 20/ 200Mbps network speed in switched segments.

➢ Multi-Protocol -- Supports Windows 95/98/ME/NT/2000/XP, NetWare, UNIX and MAC

➢ Fault-Tolerance Flash EPROM -- Easy upgrade for future compatibility

Specification

Model	EP-901X	EP-903X
Description	1 Parallel Port 10/100M Printer Server	3 Parallel Port 10/100M Printer Server
Number of Printer Ports	DB-25*1	DB-25*3
No. of 10/100M Port	RJ-45*1 Auto configuration	RJ-45*3 Auto configuration
Network Standard	ANSI/IEEE 802.3 and 802.3u	
Bi-direction	Y	
SNMP Support	Y	
Internet Printing Protocol(IPP)	Y	
Protocol Support		
IPX/SPX	Y	
TCP/IP	Y	
NetBUEI	Y	
AppleTalk(Ethernet Phase II)	Y	
Network OS		
Netware	Bindery and NDS	
Windows 95/98/ME(Print Moniter)	Y	
Windows NT/2000/XP(Print Moniter & LPR Printing)	Y	
UNIX(LPR Printing)	Y	
Mac OS 8.0 or later	Y	
Management		
Web-based	Y	
Telnet	Y	
HP Web JetAdmin / HP JetAdmin	Y	
LED indicator	Power/Link/Status	Power/Link/Status
Dimension	91 x 61 x 30 mm	214 x 136.5 x 42 mm
Weight	550g	1200g
Operating Temperature	0°~55	0°~55
Humidity	10~90%	10~90%
Power	DC 5V, 2Amp	DC 12V, 1Amp
Conformance	FCC Class A, CE	

Ordering Information

Model No.	Description
EP-901X	1 Parallel Port 10/100M Printer Server
EP-903X	3 Parallel Port 10/100M Printer Server
